

## Contractor Health & Safety Advice

RWP are experienced health & safety consultants providing advice to contractors in the construction industry. We are able to tailor our services to suit the size of company & the complexity of work undertaken. We offer bespoke packages to enable your organisation to fully comply with current Health & Safety Legislation, including the Construction (Design & Management) Regulations 2007. Packages can include:-

- Construction Phase Plans
- Risk Assessments
- Method Statements
- Contractor Competence Assessment
- Site Health, Safety & Welfare Inspections/Reports
- Health & Safety Files
- Tender Submissions
- Health & Safety Policy & Procedures
- Telephone Advisory Service

We also provide the CDM Co-ordinator role for clients under the Construction (Design & Management) Regulations 2007.

RWP are Corporate Members of the Association for Project Safety.
